

Hi girls

We hope you and your families are staying well & keeping busy during ISO #2&3. It's a worrying time for us all so here's hoping we can get on top of Covid19 with these new restrictions. In the meantime, we can try to stay positive & overdose on craft projects. For those of us that still have unfinished projects after ISO #1 it's a great opportunity to revisit the list!! My list includes cleaning out the storerooms at the shop & that is a massive project. Luckily, I have 6 weeks to do it!!

In light of the latest restrictions **the shop is now closed for shopping**, but we are posting & delivering orders every day. We don't have an online store, but were happy to take photos of stock, send colour charts or provide any other information you need. Please call, text or email Chris if you have any questions & we will organise to get your craft supplies to you. You can pay over the phone by credit card or credit our account. We mail parcels using Australia post if you're not in a hurry, but we are also happy to deliver to the following places. If your suburb does not appear call us to get more information.

Delivery costs:- Coldstream, Gruyere, Lilydale, Mt Evelyn, FREE for orders over \$50

- Montrose, Kilsyth, Chirnside Park, Wonga Park, Mooroolbark, Yarra Glen, Wandin, Seville \$5
- Croydon, North Croydon, Ringwood, Warrandyte, Bayswater, Heathmont, Healesville, Woori Yallock - Warburton \$10

What's new - We have a few fabulous new things that we were so looking forward to showing off to you. Here's hoping you can see them in person soon!!

- We are delighted to be stocking some gorgeous new products from Poland by Mintay papers. For our first order we purchased items from the "Lady" collection & they are delightful. We have 8 beautiful double-sided 12x12 papers, 12x12 paper packs, 6x6 pads & sticker sheets. Details of card kits using some of these papers are below.

- Many of you have been asking for silver, holographic cardstock. We have re-stocked our 12x12 inch sheets & now have A4 & A5 packs available.
- We've also had a few requests for "wobblers"!! These are self adhesive contraptions with a wobbly spring to enhance your favourite shapes or stamped greetings. These are now in stock & sold individually for \$1 each.
- For those of you that enjoy working with textured papers you will love these great new pads from Craft Perfect. Each 6x6 inch pad has 24 gorgeous matching sheets of coloured card - 6 of each pearlescent, mirror, glitter & embossed. We have these fabulous colour themed pads in silver, gold, pearl, blue, red & green pictured below:-

- We have some great new offerings from Paper Rose including some lovely new baby paper packs & baby dies, more wonderful stencils & a very cute robot stamp set
- Ranger Speckled egg embossing glaze & distress ink is finally here & we have restocked our distress oxide pads too. This is the first colour in the 2020 distress release, but we are yet to hear when further new colours will be available
- During our clean up we have found all sorts of treasures that have been boxed up for a long time!!! We have several paper packs in 12x12, 6x6 & A4 sizes that we have added to our discount area. Some are neutral geometric patterns, Art Deco designs & 2 gorgeously different 12x12 "Gorjuss" packs
- Several years ago we used these kits to create some beautiful calendars & we found some of these in a box too. They make a lovely gift & would be a fabulous ISO project. We have 12 kits available for \$8 each. They include 12 double-sided 12x12 inch calendar papers & a sticker sheet with months & occasions to diarise.

Card kits instead of classes for August

By popular demand we have created another ISO card kit using the new Mintay Lady range referred to above. The cards are designed to be challenging, but more importantly they need to be made using things that everybody has at home. All you will need is double-sided tape & your regular tools. The classy, feminine card set includes a waterfall card, gatefold easel & a lovely A4 embossed tri-fold card. The kit cost is \$25 including all materials you will need for 3 cards, envelopes, detailed instructions & delivery.

With the extension of our lockdown period we will postpone the clean-up & create some more kits for you in the next week or so. Watch this space for some new designs

For those of you that missed our first instalment of card kits, we still have the materials to make more. The two 3 card sets are \$25 & the 4-card set are \$20. All include detailed instructions, all of the materials you require & delivery. They are pictured below: -

In closing we'd just like to say how much we miss seeing your smiling faces. We are so looking forward to having you back at the shop as soon as you are able. In the meantime, let's continue to do the right thing & encourage others to do so.

Keep smiling & look after yourselves 😊
