

Hi everyone

Whilst the news yesterday was not exactly what we were hoping for it will certainly be a small relief for many of us. We can re-acquaint ourselves with more of our friends & family and get a haircut & colour! We are looking forward to opening the shop to you very soon & will send another email as soon as we have a date - including our new arrangements. In the meantime, we have some fabulous new products to tell you about & will continue posting or delivering to you until further notice. One thing we will be doing is driving a little slower when delivering as Chris managed to pick up 2 speeding fines in the one street last month!!

What's new -

- Paper Rose have welcomed some fabulous embossing folders to their range. They are just under 5x7 inches in size & the tulip folder is also 3D which adds a little extra dimension. We also love these new paper packs, particularly the "Wine O'clock" one, but the bright, double-sided plaid pack is great too

- Also new from paper Rose are the new sentiment packs pictured below. They contain very small, assorted greetings that can be cut up & used in conjunction with their larger word dies (or on their own) for either cards or scrapbook pages. We have both the black & white sets in stock

- Couture Creations have released some fabulous metallic alloys to add to their extensive range of alcohol inks. We have 6 great colours pictured above & look forward to using them in classes when we can resume. They blend beautifully with alcohol inks & glitter alcohol inks adding a lovely metallic look.
- For those of you still creating Christmas cards, Amy Design have a gorgeous new Christmas Pets paper range featuring cats, dogs & rabbits. We have 6x6 inch double-sided paper packs (spread out in the photo), 2 different paper tole kits & an animal dies set. If you are done with Christmas, they also released a lovely new owl die set & a matching paper tole pack. All are pictured below

- If you'd like to add some metallic dimension to your Christmas projects we have some new charm packs for you. Antique nickel snowflakes, silver bells & wreaths

- Pink fresh studios have created these clever new octagonal stamp sets with a matching die pictured above. The rubber stamp set comes with some beautiful floral designs, individual geometric patterns & sentiments designed to fit in the hexagon frame. The die itself would be handy for patchwork style projects too.

Christmas card kits

Since classes are still a way off, we've been busy creating some more Christmas card kits. This time we have chosen to use a gorgeous new Winter gnomes Christmas paper pack from The Paper Boutique. The 8 cards are pictured below & the kit includes the usual cards, envelopes & detailed instructions required to make them all. This kit cost is \$40 plus delivery - \$3 if posting. We've used some old favourite shaped cards including a quad easel & some new designs including a cube card. We have stock of 12x12 packs pictured below.

We still have a few of both sets of the Merry Little Christmas kits that each include a Couture Creations Christmas stamp to use & keep. There are 12 cards in total & both 6 card kits are \$55 or either one 6 card kit is \$30. Postage or delivery is extra - refer to the table below for delivery or standard post is \$3.

Each kit comes with everything you need to make the cards except adhesives. Kits also have detailed instructions & individual photographs of each card

- Kit 1 on the left is called the Poinsettia stamp kit. It includes some layered poinsettia stamping, easel cards, a concertina window card & some simple cards
- Kit 2 on the right is called the Christmas tree stamp kit & includes a shaker card, step card, sliding tag card, stamped tree card & some simple cards

Don't forget you can call, text or email Chris if you need craft supplies. If we can't deliver, we will endeavour to get it in the post that day. You can pay over the phone by credit card or credit our account. Delivery costs are as follows:-

- Coldstream, Gruyere, Lilydale, Mt Evelyn, FREE for orders over \$50
- Montrose, Kilsyth, Chirnside Park, Wonga Park, Mooroolbark, Seville Croydon, North Croydon, Ringwood, Warrandyte, Bayswater, Heathmont, Yarra Glen, Wandin, Healesville & other suburbs within a 15km radius \$5

It's time to start dusting the paper racks in readiness for your return. We are very much looking forward to seeing you soon!!

Keep smiling & Go Tiges!!! 😊
