

Hi everyone

A bit shout out to those that are doing it really tough at the moment. Some of you have had damage to your properties, many of you have been without power for days & our heart goes out to those of you that are still without power. Hang in there. Authorities are doing an amazing job to get so many issues sorted & they will get to you soon.

We were really looking forward to re-opening last Friday until mother nature threw us another curve ball. After a 2-week lockdown we then had no power or phone service for 4 days. Thankfully, our internet was restored today. Some of you saw our Facebook message & we had a few wonderful customers braving the cold & dark last Friday. Patchy Facebook & sms have been the only way for us to communicate until now.

Barring further dramas, the shop will be open for our regular hours. It goes without saying that you must be feeling well, wearing a mask & you need to log in with our QR check-in.

Classes will resume tomorrow - Tuesday 15th June as scheduled. Until further notice all students will need to wear a mask for the duration of the class & continue to bring their own equipment. If you are unable to attend a class please contact Chris. Those who have missed classes in the last fortnight will be contacted to organise new dates. If you need to get out & make some cards there are a few dates that still have availability & we'd love to see you: -

Since our last newsletter we have had some fabulous new goodies arrive: -

- Mintay have released a gorgeous new collection called "Nightfall". This range has a deep purple, teal & gold colour palette. It has an unusual mix of night sky, roses, red wine & grapes with some amazing background papers. You can enlarge the photos to see their detail better. We have 6x6 inch paper pads, 12x12 papers & paper packs. For the first time Mintay have some pre-cut ephemera packs. We have these as well as the 12x12 sheets for lovers of fussy cutting.

- We've also received some lovely new floral stamps pictured below from Woodware

- Paper Rose have had several new releases & we have some great new products pictured above including a new puzzle piece die, filmstrip, gorgeous zen blooms, honeysuckle plant, 2 patchwork dies & a great new sentiment set for those who are mad on gaming. The gaming sentiments work beautifully with our new gaming die set.

Please keep in mind that if you are visiting you need to be within your 25km radius at the moment. Hopefully these restrictions will be lifted soon, but there are mobile police in the outer suburbs & we would hate to see you in trouble!

We hope to see you very soon

Keep smiling & take care 😊
