

13@rts October 2025 Workshops

We are delighted to be hosting Aida Domisiewicz from 13@rts for another weekend of workshops at the Coldstream Community Centre. She will be teaching card-making, scrapbooking & mixed media classes & photos of projects are attached.

Many of you attended Aida's workshops in September 2023 & we have decided to make a few changes to the format this year. We're doing one mixed media project instead of several art journal swatches & running two identical card making sessions as it was the most popular activity last time. One class will be run on Friday & repeated on Sunday to suit everyone. You can select your preferred option at the time of booking

Friday 24th October 2025

- Card-making class 1 from 2pm – 5pm – cost \$120

Saturday 25th October 2025

- Scrapbooking - 9-30am - 12-30pm - cost \$120
- Mixed media Christmas project 2pm – 5pm - cost \$130

Sunday 26th October 2025

- Card-making class 2 from 10am – 1pm – cost \$120

Class cost includes all you need for the project (apart from consumables) & some fabulous 13@rts products to take home.

If you choose to do all three classes a discount will be applied & the total cost will be \$350.

If you choose 2 or 3 classes, you will receive a bonus goodie bag of 13@rts products.

Bookings are essential as there are limited places in all classes. A 50% deposit is required by 31st July 2025 & the balance is due by 31st August 2025. Payments can be made in instalments via funds transfer or during shop hours via EFTPOS. A list of what to bring & where to go will be available closer to the event. The community centre is in the Coldstream Estate about 700 metres from the shop & has a large car park.

****If you are unable to attend a workshop for any reason, we are unable to refund your payment, but you will receive a full kit with instructions to complete at home**

Here are photos of our 3 workshop projects. They are quite hi-resolution & can be enlarged for more detail.

Aida has designed 3 beautiful cards using the 13@rts 'Fantasy Land' collection. Backgrounds are created using water colour techniques & gorgeous embellishments are layered to create these amazing dimensional cards. Boxes with acetate lids are included in kits

Aida's Scrap-booking project is a stunning double layout using the 13@rts 'Black Velvet' collection along with gorgeous floral, gold & lace embellishments. 3 snap shots are pictured below

Aida's Mixed media project is an amazing, Christmas themed reverse canvas & is decorated with the 13@rts 'Grungy Winter' collection & other fabulously festive embellishments.
