Card- making

Vanessa has a couple of card classes in June so if you have missed something it's a great opportunity to catch up. Her 4 **Mintay 'Man Cave'** cards include a fence shape, easel, z-fold & window card. She has decorated them with some awesome embellishments from barbecues to boxing gloves in teal, brown & grey. This is a perfect set for the active people in your life who hang out in their 'man caves' She has also created a lovely new card set using the **Mintay 'Ladie's secret'** range. These cards feature pale pink, dark green & white tones with splashes of feathers & leopard skin. In this set you put together & decorate a 'Katy Sue' box card, make a fabulous, layered arches card, diagonal easel card & a beautiful cutaway 5x7 card. All are decorated with lady's secret embellishments, textural embossed elements, daisy lace & sparkly new glitter papers.

Tamara will continue teaching her great new technique cards creating backgrounds with distress oxide inks, stencils, die cuts & embossed card. You will not only create some fabulous backgrounds, but you will incorporate them into some terrific, shaped cards. The finishing touch for these predominantly blue cards is to decorate them with some **Mintay 'Man cave'** 3x4 inch labels.
